# WELCOME TO SANDOWN CARNIVAL

Its carnival time again and the people of Sandown have put in a huge amount of effort to produce two carnival parades that promise to be the best ever. All year, around the town there have been carnival clubs where the people of Sandown, young and not so young have been producing magnificent costumes for the parades. After the success of last years large school group entry this year you will marvel at the sights of 'THE VOYAGE OF DISCOVERY' a themed group of around 300 - 400 children & adults from local schools and community organisations.

On Sunday the fun starts with our annual carnival songs of praise in Eastern Gardens with our own carnival twist which promises to be a big hit with all. Tuesday is a day of fun for the kids with the Sandcastle competition, treasure hunt, face painting, magic and a disco just a few of the things to keep the youngsters amused.

Wednesday is the big day with entertainment for the whole family, culminating in the spectacular parade at 7pm. In the morning there will be a chance for all young budding pop idols to show off their stuff in our Karaoke challenge with a

top prize for the winner. Following the first round will be magic and fun with David Randini our local 'magic man'. In the early afternoon will be the ever popular children's parade along the Esplanade led by the Sandown Carnival Queens followed by their crowning and the judging of the children's fancy dress. In the final build up to the main parade we will find out who is the winner of the Karaoke challenge and pick the winners of our Grand Prize draw, with over 50 prizes.

With all this plus lots more I'm sure you will agree a fun packed few days for all.

None of this would be possible without the generosity of local people, businesses and you, so I would like to thank all those who have donated. I would also like to thank the members of the Carnival Committee for their support and hard work.

Please give generously to our collectors and most importantly enjoy all the fun of Sandown Carnival 2004.

WHY NOT JOIN IN WITH THIS YEARS CARNIVAL?

It's never been easier to join in with Sandown Carnival, there is no need for entry forms, just turn up in time for judging. If you belong to an organisation, own a business & want some free advertising or a group of friends or family, why not join in with the Carnival fun. You don't have to have a large float, you can join in on foot, with a small trailer, a hand cart or on the back of a truck, it's easy!!!

If you arrive in time for the judging you could even win a cup or a small cash prize & you might even get your float in the Newspaper.

If you think its too late then you're wrong. You can build a float in just a day or two, so why wait? Start your entry today & be part of the best Carnival on the Island, not just a spectator.

## A VOYAGE OF DISCOVERY FOR SANDOWN CARNIVAL

The book 'Voyage of Discovery' is about the coming together of different people and cultures to achieve a common goal. I chose this theme for this year's community project because it seemed like a good ethic for our carnival.

Through 'Voyage of Discovery' we have brought together some two hundred men, women and children from all over the Sandown Bay area, they have worked side by side to create our most colourful and ambitious carnival project to date.

'Voyage of Discovery' simply could not have happened without the help and support from 'The Local Network Fund'. We are all so grateful to them for patronising our community project.

I would like to personally thank everyone that has taken time to get involved. To the children, parents, schools, community groups and individuals that have designed, painted, glued and stitched this project together, you are all fantastic! You are the stars, now enjoy the show!!!!

### A VOYAGE OF DISCOVERY

*Based on a book by Francois Place*

There are seven tribes of Amazons. Every year, at the end of the winter, they meet in the scarlet forest before setting off to the four corners of the world. As their journey progresses they give new names to the mountains and lakes and all the creatures that live on the earth, in the air and in the water. The song that they hum, as they go, is so beautiful that the whole countryside awakes as soon as it is heard.

# THANKYOU

## SANDOWN CARNIVAL SAYS *THANKYOU*

### It can cost up to £8,000 to put on Sandown Carnival

Sandown Carnival is not organised by the local authority and relies on the support it gets from trade & businesses and the people of Sandown. It is not cheap to organise a Carnival with Advertising, Bands, Entertainment and of course our Carnival float and queens dresses to pay for.

**Please help us to make sure we can continue to organise a carnival to be proud of in years to come by giving generously to our collectors.**

Everyone involved in organising Sandown Carnival gives his or her time on a voluntary basis, from the carnival committee to those people who take the time to enter the procession, and we say THANK YOU. We welcome anyone who would like to help in any way and anyone with suggestions as to how we could improve Sandown Carnival.

We say a special thanks to Stuart Dyer who has given his time to build our magnificent 'Pearl' Carnival float. We would also like to say a big thankyou to those people who have manned 'The Carnival Shop' in Melville Street right throughout the year.

The Biggest **THANKYOU** goes to all those local traders and other Island businesses, which have made donations to the Carnival & generously supported us in a variety of ways.

Sandown Carnival committee & representatives would like to say a big thankyou to **Isle of Wight Pearl** for their generous support for this year's carnival. We would also like to thank **The local Network fund** for their support in 'THE VOYAGE OF DISCOVERY' section of our parade.

### **THANKYOU!!!!!!!**
