WELCOME TO SANDOWN CARNIVAL

Once again it is a great pleasure to welcome you to Sandown Carnival, be you a local resident or visitor. For those who have seen Carnival in the past, I think you will find we have again achieved a time to remember for everyone, young and old alike. If this is the first time you have been with us at Carnival time, I'm sure you will be back time and time again in the future.

I have been a part of Sandown carnival for some twenty years and I still feel a tingle as each of our activities through out the week unfolds, starting with Carnival Songs of Praise, organised for us by our dear friends from Sandown Churches Together. On Tuesday its Children's Day with all the usual activities, plus for the first time Sandown's Carnival Queen will be crowned following the Children's Procession. For the many locals that usually take part in the Children's Fancy Dress, please note it is on Tuesday and not on Wednesday afternoon as in past years.

Wednesday is, of course, the main Carnival Day culminating in the spectacular Street Procession around the town. Can I give you folk a little tip here, each year spectators suffer a huge crush at the

beginning of the parade by watching at the lower end of the High Street. Quite frankly it is frightening and can be easily relieved by moving to a quieter part of the route. Take a look at the procession route map in the centre pages; Fitzroy Street and Station Avenue are usually less crowded. Please note this year the route will be taking in Royal Crescent instead of Royal Street.

However if you take part in Sandown Carnival, please do enjoy yourself. At the rear of this programme you will see a long list of people who have helped, please join with me in thanking all those that have contributed to what I'm sure will be a splendid few days, especially my Committee, who have been working hard ever since last years carnival to bring you this years.

One of our main sources of income that allows us to continue with carnival is via your generous donations to the collectors throughout the procession, please do continue, every pound collected really does help.

Thank you.

DIRECT FROM NOTTINGHILL CARNIVAL

'MASQUERADE 2000'

Masquerade 2000 or M2K is NottingHill's largest mas band (group) competing not only at NottingHill but also around the world.

Lincoln Rahamut is M2K artistic director and has won more awards than any other designer. He was born into carnival in Trinidad and moved to England 30 years ago where he has continued to teach carnival skills, experiment and innovate. Lincoln has been teaching carnival on the Island for the past year and loves the people and places so much that he wanted to bring his band.

Sandown Carnival Association is pleased to present M2K to the Illuminated Carnival on 31st August where M2K 'GEMS' collection is coming straight from NottingHill with over 40 masquerades. This collection comprises of a range of large costumes, some as large as 22ft wide and will have **NEVER BEEN SEEN ANYWHERE ON THE ISLAND BEFORE.**

TREASURE HUNT

Starting at Sandown Tourist Information Centre in the High Street
Fill in the answers to the questions as you go.

Head in the direction of the animal across the road, (do not cross), continue to the corner & cross over the road to the "lady on the beach" and head down the hill. Could a Scottish family live here?, if you were in a party of 60 people why wouldn't you be able to eat at Little Scamps? if you were to ring 403187 who would you be ringing? Cross over the road and down the steps to where the boats come in, how much fun could you have here? continue along towards the white cliffs. If you wanted to sit on the beach how much would it cost for a deck chair and a sun bed? Who looks after the alarms at the Trouville Hotel?, turn left past the hotel and up the steps, at the top head in the same direction as you were going, has the owner of this place been eating too much? when was "The town's cook" established? could King Midas have touched the plate here? continue straight on, how many Toymasters are there on the Island?, would you get a hair style fit for paradise here? Cross over the crossing, turn right and go past the reading place, turn left up the Royal Road, if the time is 12noon on Saturday why would you be too late?....., turn left into The Consort's Road, which property is Mr N.Cooper the proprietor of? carry on ,cross over and turn right into the avenue that leads to the train park, where would you find "Bridget Bardot & Ellen MacArthur"?, has this gem changed it's original colour for this award? Turn left into where you might park your vehicle, why couldn't David Beckham play here? go the wrong way at the end of the "park", why might you think there were horses around?, then turn left, how many lions can you see? turn right, and right again at the Pet Parlour, cross over the Duke's road, then cross over into the street you follow Could this be the HQ of Mark's & Spencer?, turn left into another Royal Street, then turn right past a very aptly named cottage, turn left, what night is Quiz night?, carry on and turn left again opposite another very aptly named property How many hours a week is the carnival shop open for? Could this be Bruce's cooking place? head back towards the town, turn left and hand in your completed Treasure Hunt form to the most informed place in Sandown, by 12 noon on Wednesday 27th July.

The First correct entry drawn will receive a prize.

CIRQUE DES ENFANTS

CIRQUE DES ENFANTS

The 2005 schools and community entry to Sandown Carnival is called 'Cirque Des Enfants', (The Children Circus). Inspiration for this section of the parade was taken from the world renowned 'Cirque de Soleil', to inspire the groups taking part to design colourful and exciting costumes that will be on show at Sandown Carnival 2005.

'Cirque Des Enfants' has brought together some 200 or more men, women and children from across the Sandown Bay area to create our most colourful and dynamic carnival project so far.

Six groups taking part:

Furzehill Pre School & After School Club
St John's Primary School
Lake Middle School

Sandown C of E Primary School
Sandham Middle School
Sandown Community Group

All the costumes have been made by the individuals themselves and extra workshops for dance and circus skills have helped to enhance the performance.

The Local Network Fund has once again generously funded this project along with all the volunteers who gave their time so willingly this project would not have been possible, so to them we say Thank You.

WHY NOT JOIN IN THIS YEAR

WHY NOT JOIN IN WITH THIS YEARS CARNIVAL?

It's never been easier to join in with Sandown Carnival, there is no need for entry forms, just turn up in time for judging. If you belong to an organisation, own a business & want some free advertising or a group of friends or family, why not join in with the Carnival fun. You don't have to have a large float, you can join in on foot, with a small trailer, a hand cart or on the back of a truck, it's easy!!!

If you arrive in time for the judging you could even win a cup or a small cash prize & you might get your float in the Newspaper or even on T.V.

If you think its too late then you're wrong. You can build a float in just a day or two, so why wait? Start your entry today & be part of the best Carnival on the Island, not just a spectator.

And don't forget there is always the
ILLUMINATED CARNIVAL on 31st August at 9.00 p.m.

THANKYOU

SANDOWN CARNIVAL SAYS *THANKYOU*

It can cost up to £10,000 to put on Sandown Carnival

Sandown Carnival is not organised by the local authority and relies on the support it gets from trade & businesses and the people of Sandown. It is not cheap to organise a Carnival with Advertising, Insurance's, Bands, Entertainment and of course our Carnival float and queens dresses to pay for.

Please help us to make sure we can continue to organise a carnival to be proud of in years to come by giving generously to our collectors.

Everyone involved in organising Sandown Carnival gives his or her time on a voluntary basis, from the carnival committee to those people who take the time to enter the procession, and we say **THANK YOU**. We welcome anyone who would like to help in any way and anyone with suggestions as to how we could improve Sandown Carnival.

We say a special thanks to Stuart Dyer who has given his time to build our spectacular 'Carousel' Carnival float. We would also like to say a big thankyou to those people who have manned 'The Carnival Shop' in Melville Street right throughout the year.

The Biggest **THANKYOU** goes to all those local traders and other Island businesses listed below, which have made donations to the Carnival & generously supported us in a variety of ways.

Sandown Carnival committee & representatives would like to say a big thankyou to **The Local Network Fund** for their support in 'Cirque des Enfants' section of our parade.

THANKYOU!!!!!!!
