WELCOME TO SANDOWN CARNIVAL

Its Carnival time again and I feel sure you will find this years Carnival right up there with the very best. Members of the public, be that residents or visitors, who have been watching Sandown Carnival over, say the last ten years, will have seen the tremendous innovations that have brought about the huge resurgence in Carnivals all over the Island. This has come about by hard work by some very energetic people. We here in Sandown have been luckier than most, as we have some of the best, Carnival people anywhere in the UK. It is very gratifying for me, as Chairman, to see how much, you the public who watch, appreciate Carnival and to see all age groups so enjoying everything we do.

You may have heard that we have been lucky to win a grant from the Big Lottery Fund. This grant is not for use in the everyday running of Carnival but to fund a number of Carnival based projects for young people in the Sandown Bay area. These projects will not yet be showing but will flourish over the next three years.

Please do enjoy Carnival.

Thank you.

Sandown Carnival Association is celebrating the success of their application to the Big Lottery Fund. The association has been awarded £93000 from the Young Peoples Fund to deliver a three year programme of street art activities for young people 11-18 years of age.

The project will offer a range of activities and workshops over the next three years, which will provide young people with a range of opportunities to join in with workshops, courses and events on and off the Island.

The programme includes street performance, costume design and making, dance, flag and street decoration, DJ and PA courses as well as taking part in regular weekly summer activities, workshops with top London artists and opportunities to travel to the mainland to take part in carnivals and a chance to attend the Notting hill splash.

Jill Wade-Smith ' We are all delighted to have been successful in receiving the award, there was an enormous amount of time spent completing the application which included consultation with the young people in Sandown and Shanklin. The award will enable us to provide a lot of activities in the area for the young people and because the young people were so actively involved in contributing their ideas we know that the projects planned are what they want.'

Alan Ayres, Committee Chairman, says although the Big Lottery Fund has been award for the next three years of this project he is looking forward to the years beyond that. The committee will be trying very hard to make sure that the assets from the project, including the skills learnt by our young people, can be carried over into the future. We are particularly keen to build up to being part of the 2011 Island Games celebrations along with other Island Carnivals.

We hope that although Sandown Carnival has been awarded this fund, we are sure that all Island Carnivals will benefit in some way from each of the projects. As time goes on and as each of the strands of the project come on line we shall be inviting sections of our young people to join with us and to learn the skills and the fun that can be gained from being involved with Carnival

TREASURE HUNT

Tour the town ... try the teasers ... take the treasure!

Start at the place where the boats come in. Why does Jill need to tidy up her fellow?
..... Walk towards the white cliffs - what would it cost to hire 2
deckchairs, 1 sunbed and a wind break? What number would you
have to ring to reach Fort Holiday Park? Continue in the same
direction. If you let your dog off the lead, what fine would you receive?
..... Cross the road at the War Memorial. If you were to park illegally,
what would it cost you? Head up the hill, turning right at the
top. Where does the 16.35 train terminate? There's a
diamond place next door - but how many of them? Cross
the road opposite Bill's place and turn right, then left up West Brom's road. Turn left again, cross the
road and, after a few paces, continue your walk up the road you might think you shouldn't go! And
why might you believe that Eric Morecambe and Bill Bailey stayed around here?
..... If you and a friend wished to stay at this hotel for 2 nights in
May, what would you be charged? Cross the road to
where the cars are rested (but don't go in there) and continue in the direction you have been
following. Who are not allowed in nearby? What number
would you call to reach SSE.? Turn left, along the Saint's
road, cross over and turn right into the street where others might follow. Which property wouldn't be
out of place on a board game? Pass the home of Marks &
Spencer then, making sure you are on the left-hand side of the road, take the second left turn. Why
might you think the owners of a place along here never want to leave?
..... Continue along the road. Where might you suspect that
someone from The Enterprise is staying? Keep going in
the same direction - why does it look as though there's an 's' missing somewhere along here?
..... Cross over to the aptly-named house and turn right. Cross
the road again. What must be worn at all times around here?
..... Continue as you were. Where might you expect the hound
to live? Turn left into the regal road and cross over. Where
would you expect to be in for a spot of sun bathing? At the
nearby corner, turn right and immediately cross the road before continuing your walk along the way of
the arrows. Turn left and tell us why Mr Richard and Ms Britten might live here?
..... Where would you find apartments 2-8?
..... Continue the walk past the stripey posts, then go carefully
down the hill, turning left at the bottom. How must you park here?
..... Carry on along the road and look out for a place you
should recognise from earlier. What can you have at this place?
..... Should the Queen wish to leave her boat around here, what
number should she call? Going up the hill to the shops,
why might you think Mr Allen's partner resides here? And
who would be offered special rates to stay nearby? If the
bear was hungry at 6.30am, how long would he have to wait to get fed?
..... Cross the road to where the Scots clan live - but which
clan? Now turn right. Could this be the place people go to
recall those happy times? Fill in your personal details
(below) and hand in your answers to the most informed place in town - we'll let you know if you win
the treasure!

LOST CIVILISATIONS

AN ARRAY OF OVER 400 SPECTACULAR COSTUMES !!!

This year will once again see hundreds of local children and parents from local schools adorn the streets of Sandown at the carnival parades. Local schools have been busy making costumes based on this years theme Lost Civilisations. Local artists Jill Wade-Smith and Sharon George have been supporting and helping schools design and make their costumes. This years entries include Sandham Middle as the Egyptians, Sandown High as the Lost city of Atlantis, Sandown CE as the ancient empress of the Incas, Lake Middle as the Maoris, St Johns as cultures from Europe and Gatten and Lake as Ying and Yang.

The making of the costumes starts as early as April for some groups and many hours are spent after school and at weekends. Parents teachers and volunteers all give their time for free and without them the production of such a fantastic display would not be possible.

We would like to say thank you to all the parents, volunteers, teachers and local artists who give their time, commitment and enthusiasm. Without them the involvement of hundreds of children in the carnivals would not be possible.

MAS FUSION AT SANDOWN CARNIVAL

Mas Fusion - probably the largest family community carnival group on the Island will once again be appearing at both Sandown main and illuminated carnivals. Mas Fusion with more than 70 performers of all ages promise to bring a spectacular display of costumes small and large and well rehearsed performances. Group leaders Jill Wade-Smith and Sharon George along with a team of volunteers have been designing and making their costumes for more than 6 months.

The group have also followed through with the schools theme of Lost Civilisations. The costumes this year will reflect the Samurai Warriors, Native American Indians and the Mayans. Adorned in costumes of black red and gold they will undoubtedly wow the crowds once again. Hours of work, ongoing all year round commitment and endless enthusiasm are what make this group so successful. The group has over 100 members who come from all over the Island.

One important member of the group The Hat Man will also be making his traditional appearance - we wonder who he will be this year? Can you guess? So don't forget to watch out for the Hat Man he is sure to dazzle us all!

If you would like to get involved with the group please contact Jill or Sharon on 07923499718 (daytime).

SANDOWN CARNIVAL SAYS *THANKYOU*

It can cost up to £20,000 to put on Sandown Carnival

Sandown Carnival is not organised the local authority and relies on the support it gets from trade & businesses and the people of Sandown. It is not cheap to organise a Carnival with Advertising, Insurance's, Bands, Entertainment and of course our Carnival float and queens dresses to pay for.

Please help us to make sure we can continue to organise a carnival to be proud of in years to come by giving generously to our collectors.

Everyone involved in organising Sandown Carnival gives his or her time on a voluntary basis, from the carnival committee too those people who take the time to enter the procession, and we say **THANK YOU**. We welcome anyone who would like to help in any way & anyone with suggestions as to how we could improve Sandown Carnival.

We say a special thanks to Stuart Dyer who has given his time to build our spectacular Japanese themed Queens float. We would also like to say a big thankyou to those people who have manned 'The Carnival Shop' in Melville Street right throughout the year.

We would also like to thank all those local traders and other Island businesses listed below, which have made donations to the Carnival & generously supported us in a variety of ways.

Sandown Carnival Association and representatives would like to thank The Big Lottery Fund for there generous support to carnival based courses over the next three years.

THANKYOU!!!!!!!
