WELCOME TO SANDOWN CARNIVAL

For the very last time a warm welcome to you all, to this year's Carnival. It has given me a great deal of pleasure each year to say how much I hope you, residents or visitors, will enjoy all the activities that have been laid on for you.

This will be my last year as Chairman of Sandown Carnival. I started back in 1986 helping a friend tow the towns float, and a few years later I succeeded Paul Drayton who had served 18 years at the helm.

One of my biggest pleasures has been working with others who strive to put on Carnivals on the Isle of Wight; a bunch of people who love Carnival and love seeing people have a good time.

Each year we are faced with more and more bureaucrats telling us what we can and what we cannot do, all in the name of Health & Safety or economies, therefore organising such events as ours is becoming more and more difficult. I for one am becoming a little tired.

Please do enjoy all the events that have been put on for you by Sandown Carnival.

Thank you.

MAS FUSION

CASINO ROYALE

Once again MAS FUSION the Islands BIGGEST voluntary community based Family Carnival Band will be performing at both of Sandown Carnivals. The group with more than 100 members young and old will dance and perform their way around the streets of Sandown to some well known dance tracks in what can only be described as outstanding costumes big and small.

This year their theme is Casino Royal. The costumes portray the excitement, buzz and characters you would find at the casino and Loud, Bright, Energetic and Dazzling are words best used to describe this years performance. MAS FUSION are a spectacular not to be missed, so make sure you're there to cheer, stamp your feet and sing along as they pass you by. Oh and The Hat man is BACK under a different guise can you guess what he will be this year?

MAS FUSION is a voluntary group who raise all their own funds and make every single one of their amazing costumes. They would like to thank everyone who has supported them this year and the many volunteers who give up their time to help with the costume making.

For more information take a look at www.masfusion.co.uk

BIG LOTTERY

Thanks to funding from the Big Lottery Sandown Carnival Association has been able to provide opportunities for the Young People of the Island to get involved in Carnival and other events.

This year the project has funded a group of young people in the design and making of ten individual costumes and 2 individual costumes all of which will be worn at Sandown carnivals. Many young people have had the opportunity to visit and perform at mainland carnivals and events including the Opening of the first UK Carnival centre in Luton.

Other workshops funded through the lottery project have included performance and dance. The purchase of the Islands first Eco sound systems has supported lots of schools and community groups by providing them with sound to perform to at the carnivals. Masquerade Mondays will also continue every Monday this summer at Eastern Gardens from 2pm - 4pm. The event allows young people to show off skills that they have learnt at other lottery funded projects.

TREASURE HUNT

Tour the town ... try the teasers ... take the treasure!

Starting at Sandown's most informed place, cross over the animal in the road. Turn right, could you get food here for a dyslexic tune-spinner?.....

Cross the road, a landscape no longer here maybe?..... turn right, could this be a continental Monarch's abode?..... carry on in the same direction, be quiet as you go by here..... Where does the wise person live?.....

And you could learn your lesson here?....., continue on, quick add the footnote!..... Turn right and cross over, does the owner of this property grow a lot of plants?..... you may find some pre-walkers here!..... turn left, carry straight on to the signpost, keep going, where do the fox & squirrel live?..... could you find your horse in the meadow here?..... cross over to the palms and turn right carry on down the road and cross over opposite the 12th post., carry on and then turn left. Very patriotic people live here?..... carry on, how old is this house?..... cross over and continue and then turn right down the President's Street. This place is a pebbly oasis..... Could Mr Schotfield and Ms Chisholm live here?..... would you care 3 hoots to live here?..... could this house be a bit prickly?..... A hostelry for a born Islander maybe?..... turn right, could Miss Carlisle be here?..... Where could you enjoy a Jacuzzi & a sauna?..... oops, something missing from this property's number?..... look out for where the drips hang out..... Cross over to a place with many chapters..... Carry on up the main road, pass where the angels might go..... keep in the same direction, pass Bill's place..... keep going what am I doing at no.7..... cross the road, and walk down to the place where we don't forget..... walk towards the place where the ships come in, what must you be aware of..... carry on in same direction how much would it cost to park for 2 hours from 5.p.m. keep going to the end of the road, cross over and start to climb, Ms Britton & Mr Richard's abode maybe?..... at the top of the hill, be naughty and go the wrong way, maybe you have made it to France now, where..... Where is Ronnie missing?..... carry on and cross the road carefully and hand your answers in at a place you should remember from when you started.

Entries must be handed in by 12 noon on Wednesday 29th July (Carnival Day)

SCHOOL AND COMMUNITY GROUPS

Once again many of our local schools and community groups will be joining in with the carnivals, Brading, Gatten and Lake, Sandham, Sandown Youth club and many more. The young people and their parents work for weeks on making the costumes, staying after school and taking things home to do. This year will see an array of themes including Space, Africa and Penguins!!!

Sandown Carnival Association prides itself on its community spirit and the schools and community groups ensure that the spirit of young people is there to be shared. Look out for the Penguins you don't want to miss them! The groups are supported through the Big Lottery and the Carnival Association.

CARNIVAL DEVELOPMENT FUND

Sandown Carnival Association has just launched a new drive to encourage people to take part and enhance Sandown's Parades whilst developing participant's carnival arts. The Carnival Development Fund is open to non-profit making organizations, schools, clubs, associations or even a group of friends that are interested in taking part in at least two of Sandown's carnival parades. The fund is designed to help these groups take part, with help buying materials, hiring equipment, travel costs etc.

Sandown Carnival Association is pleased to support the following groups in 2009:

- The Wight Strollers whose theme this year is Young At Heart. You might remember this group of 30+ for their amazing Flying Fockers routine in 2008!
- Gatten & Lake Primary School who will be basing this year's entry on the film Happy Feet and it's underlying environmental messages
- Sandown Youth & Community Centre whose Space Disco theme will celebrate the club's silver anniversary
- Brading Community Group's Space Race theme commemorating the 40th anniversary of the lunar landing and the 400th anniversary of Galileo's use of the telescope
- The Baxter Massive who will be working to the theme of Fantasia with costumes influenced by the popular film.

WINDOW SPOTTING COMPETITION

From Monday July 20th in the windows of the shops listed there will be a smiley face displayed. Somewhere in that window will be an odd item – an item that they do not actually sell. Simply write the name of the object in the spaces below. Take your completed form to the Sandown Tourist Information Centre by 12 noon on July 29th, carnival day, and the first three correct entries drawn will receive a prize.

THANK YOU

SANDOWN CARNIVAL SAYS *THANK YOU*

It can cost up to £25,000 to put on Sandown Carnival

Sandown Carnival is not organised by the local authority and relies on the support it gets from trade & businesses and the people of Sandown. It is not cheap to organise a Carnival with Advertising, Insurances, Bands, Entertainment and of course our Carnival float and queens dresses to pay for.

Please help us to make sure we can continue to organise a carnival to be proud of in years to come by giving generously to our collectors.

Everyone involved in organising Sandown Carnival gives his or her time on a voluntary basis, from the carnival committee to those people who take the time to make amazing costumes and floats to enter the procession, and we say **THANK YOU**. We welcome anyone who would like to help in any way & anyone with suggestions as to how we could improve Sandown Carnival.

We say a special thanks to Stuart Dyer who has given his time to build our spectacular Snow Queens float. We would also like to say a big thank you to those people who have manned 'The Carnival Shop' in Melville Street right throughout the year.

We would also like to thank all those local traders and other Island businesses, listed below, which have made donations to the Carnival & generously supported us in a variety of ways.

Sandown Carnival Association and representatives would like to thank The Big Lottery Fund for their generous support to carnival based courses.
